

Do not call to mind the former things, or ponder things of the past. “Behold, I will do something new, now it will spring forth; will you not be aware of it? I will even make a roadway in the wilderness, rivers in the desert.” Isaiah 43:18-19

Birmingham is the Magic City. For what I desire to do and release in and through Birmingham, will cause many to find themselves in awe and wonder of the glory, majesty and grace of my kingdom. For while the magician hides his secret, I will reveal my secrets to sons and daughters. For I have declared in my word, “The secret of the LORD is for those who fear Him, and He will make them know His covenant.” I am releasing a generation of sons and daughters who live from the fear of the Lord and walk in friendship toward me. Birmingham is in transition and change. Just as there is new infrastructure being built in the city, there too is a new infrastructure in the spirit being released to carry what I desire to build and release in and through the Magic City. For “EVERY RAVINE WILL BE FILLED, AND EVERY MOUNTAIN AND HILL WILL BE BROUGHT LOW; THE CROOKED WILL BECOME STRAIGHT, AND THE ROUGH ROADS SMOOTH; AND ALL FLESH WILL SEE THE SALVATION OF GOD.’ ”

No longer will Birmingham be known for malfunction junction because of the interstate system but it will be known as the city that is fully functioning in the things of God. There was a malfunction in the spirit due to the lack of unity in the city. For just as there is neither Jew nor Greek, there is neither slave nor free man, there is neither male nor female; for you are all one in Christ Jesus. So, Birmingham is to be no different. I am releasing a spirit of unity and oneness in the heart of my people in this city. No longer will people look at one another based upon the color of skin but they will learn to look upon the heart of the person before them.

There was a generation in Israel that had not experienced Egypt that entered into the promise land. They had no connection with Egypt and, therefore; they had not been bound by Egypt. There too is a generation in Birmingham who has not been affected by the past of Birmingham and because they have not been affected by the past of Birmingham they are not prejudice to what goes on in Birmingham. They will position their hearts to see God move and cause Birmingham to become a place where the glory of God is poured out from. Birmingham will be a city that will be a gateway to the nations of the earth.

The hurt of the history of Birmingham is being healed. What I desire to release in the city will be so great it will overshadow what was in the past and will cause the past to not be remembered and there is a generation coming up who won't remember the past but who will partner with what Heaven wants to do in the earth at this moment and time to create a destiny over Birmingham that will bring life and health to it. No longer refer to the past of Birmingham but instead talk of what Birmingham is becoming and what Birmingham will be known for. Just as eyes turned toward Birmingham during the Civil Rights Movement, the eyes of the world will turn again to Birmingham and see the beauty of my Son Jesus displayed throughout the city.
